DYMO INDUSTRIAL LABELING SOLUTIONS

Save time and simplify industrial labeling jobs with DYMO ® industrial labeling solutions. DYMO offers a number of labeling solutions tailored to suit a wide range of industrial labeling tasks including cable and wire identification, safety signage or extra tough labels for workplace environments.

Tackle even the most complex labeling with the DYMO XTL ™ 500 and XTL ™ 300. Built-in label applications make getting started easy, and pre-loaded label templates ensure perfect formatting to save time and simplify industrial labeling jobs.

Portable and affordable DYMO Rhino ™ 4200 and 5200 machines save you time and money; both include great features such as "Hot Key" and "Favorites" shortcuts.

Use DYMO LW Durable labels with DYMO LabelWriter® 4XL, built for high volume labeling, and you're ready to create inexpensive "Direct Thermal" labels and asset tags.

Let DYMO help tackle labeling with simple solutions for low voltage, electrical, cable installation, mechanical work, plumbing, MRO or facilities signage, and more.

XTL™

WE BET YOU'VE NEVER EXPERIENCED INDUSTRIAL LABELING THIS SIMPLE.

Jobsite tested and packed with features, the DYMO ˚ XTL™ 300 and XTL™ 500 label makers help simplify industrial labeling for a more efficient, frustration-free experience. By incorporating an app-based interface, XTL label makers offer a familiarity that makes using them easy. That's why over 80% of people who used an XTL label maker for eight weeks without any training said it performed better than their current label maker*. Built to meet your needs, DYMO XTL label makers offer the flexibility to print continuous tape, pre-sized labels, heat-shrink tubes and small format safety signage all from the same label maker. A full range of durable XTL labels are also available in a variety of materials and colors that comply with OSHA, ANSI and ISO color standards for workplace communication and safety.

Read on to see how XTL label makers are redefining simplicity.

LIFELIKE ON-SCREEN

XTL™ 300

SIMPLIFIES THE MOST COMPLEX LABELING

Tired of complicated labelers? Simplify labeling with the DYMO® XTL® 300.
A lifelike on-screen print preview and built-in label applications help save time
on the job. Prints labels from 1/4 in. up to 1 in. wide in custom lengths.

XTL 300 FEATURES:

1 Lifelike on-screen print preview and color display shows exactly how labels will look when applied to cables, panels and more

2 Built-in label applications make getting started from the home screen easy

3 Pre-loaded templates ensure perfect formatting to save time

4 Pre-set layouts for almost 100 patch panel models eliminate size and spacing guesswork

5 PC-connectivity* and free DYMO ID software for easy transfer of labels to and from the XTL 300 for jobsite editing and printing

6 Field-replaceable cutters for on-the-job repairs

*Works with Windows ® 7, Windows ® 8/8.1, Windows ® 10

DYMO® ID

ACHIEVING LABELING SIMPLICITY JUST GOT EASIER.

Using DYMO ID software is easy thanks to a uniform experience that integrates the same great features found on your XTL™ label maker and packs them into a powerful PC-based software package. DYMO ID also allows you to update the software on your XTL printer regularly. Available as a FREE download from dymo.com, DYMO ID will provide you with the functionality you need to tackle even the most complex labeling.

QUICKLY IMPORT DATA

to create a series of labels in just a few steps to eliminate manual entry, saving time and increasing productivity

OVER 200 PRE-LOADED SYMBOLS & IMAGES

or simply add a custom image to enhance communication and meet industry standards

SHEET LABELS

Quickly print XTL label maker Laminated Wire/Cable Wrap sheet labels directly on your laser printer

QUICK CUSTOMIZATION & UPGRADES

Simply plug your XTL into a PC and use DYMO ID software to customize your preferences and keep it up to date

DYMO® ID WORKS WITH THE FOLLOWING:

- XTL 300 Label Maker
- XTL 500 Label Maker
- XTL Laminated Wire/Cable Wrap Sheet Labels
- LabelWriter 4XL
- Works with Windows ® 7 and later

Available as a FREE download from www.dymo.com

DYMO ID + FLUKE networks.

CABLE LABELING MADE SIMPLE

Fully integrated with connectivity to Fluke Networks® LinkWare™ Live, DYMO ID labeling software and XTL™ label makers offer a simplified solution for cable label creation.

Fluke Networks
Versiv ™ Tester

DYMO XTL
Label Maker

QUICKLY IMPORT DATA

Import data from a LinkWare Live account in just a few steps to eliminate manual entry, saving time and increasing productivity.

From DYMO ID, easily access LinkWare Live projects, import cable ID data, and use built-in label applications and pre-loaded templates to further simplify labeling tasks. Transfer label jobs to an XTL printer for on-the-job printing.

• Use Cable ID data with built-in label applications and time-saving templates for patch panels, wire/cable labels, and more
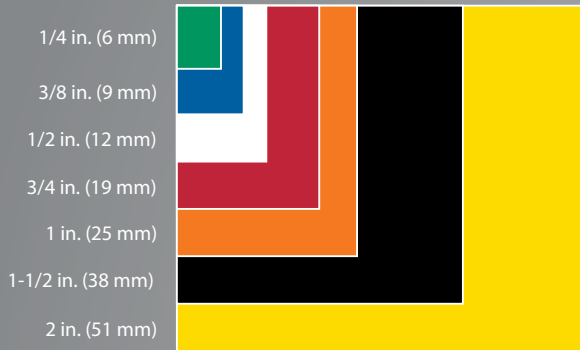

• Consistent software design between DYMO ID software and XTL label makers makes it easy to transition between PC and label printer

XTL ™ LABELS

Industrial-strength labels withstand the toughest conditions – moisture, chemicals, a wide range of temperatures, UV light and more.

- Durable thermal transfer printing technology – label text won't smear or fade
- Easy-to-peel split back design and pre-sized labels make applying labels quick and easy

ALL-PURPOSE VINYL

- Moisture, chemical and UV resistance makes vinyl ideal for indoor/outdoor use
- Wide range of colors that comply with OSHA, ANSI and ISO color standards to enhance workplace communication and safety
- UL recognized as a component to UL 969

FLEXIBLE CABLE WRAPS

- For labeling wires, cables and rounded surfaces, flexible nylon material is designed to conform and stick
- Tear-proof material resists damage when pulled through tight spaces or conduits
- UL recognized as a component to UL 96   9

LAMINATED WIRE/CABLE WRAPS

- Pre-sized wire/cable wraps with laminated overwrap protect printed areas from oil, chemicals, moisture, abrasion and fading
- Also available in sheet label formats for high-volume installations
- UL recognized as a component to UL 969

PRE-SIZED SAFETY LABELS

- Specific labels with colored headers including labels pre-printed with DANGER and NOTICE headers for on-demand printing of small format safety signage
- UL recognized as a component to UL 969

PERMANENT FLAT SURFACE

- For labeling flat surfaces only, such as panels, blocks, faceplates, shelves, bins, beams and more
- Glossy finish leaves a professional look
- UL recognized as a component to UL 969

HEAT-SHRINK TUBES
(CONTINUOUS AND PRE-SIZED)

- Heat-shrink tubes provide insulation when shrunk down and ensure a secure fit on wires and cables with a 3:1 shrink ratio
- Meets MIL-M-81531, MIL-STD-202G, SAE-DTL-23053/5 (Class 1 & 3)
- UL recognized as a component to UL 224

PRE-SIZED LABELS

- Ideal for flat surface labeling like barcodes, faceplates, shelves, bins, beams and more
- Pre-sized labels help facilitate batch label printing to improve productivity
- UL recognized as a component to UL 969

RHINO™

COMPACT, TIME-SAVING LABELING FOR ON-THE-GO PROS.

Gets labeling jobs done fast – and done right. Use one-touch "Hot Key" shortcuts to quickly create and format wire/cable wraps, flags, fixed-length labels, module labels and more. Print labels up to 3/4 in. wide on flexible nylon, permanent polyester and durable vinyl materials – PLUS print directly on heat-shrink tubes. Save even more time with great features – like the "Favorites" key which provides single-key access to commonly used labels, symbols and terms; and the "Custom" key which eliminates repeated steps by saving customized settings.

"FAVORITES" KEY
Single-key access to your most commonly used labels, symbols and terms

RHINO™ 4200

ALL-PURPOSE INDUSTRIAL LABELING TOOL

With its familiar QWERTY keyboard, the Rhino 4200 gets industrial labeling jobs done fast and done right. "Hot Key" shortcuts enable you to quickly create and format wire/cable wraps, flags, fixed-length labels and more, while a "Favorites" key provides single-key access to your most commonly used labels, symbol and terms.

RHINO 4200 FEATURES:

1 Easily enter text with a familiar computer-style (QWERTY) keyboard

2 Use convenient one-touch "Hot Keys" to access shortcuts for creating and formatting wire/cable wraps, flags, fixed-length and general labels

3 Print 1/4 in., 3/8 in., 1/2 in., 3/4 in. wide industrial-strength labels in a variety of materials and colors – plus print directly onto heat-shrink tubes

4 Quickly access your most commonly used labels, symbols and terms with the "Favorites" key

5 Avoid repeated steps with the "Custom" key – customize and save settings for individual label formats

RHINO™ 5200

PORTABLE LABELING TOOL THAT SAVES YOU TIME AND MONEY

The portable Rhino 5200 saves you time and money – the unit labels up to 77% faster than the competition. Press one "Hot Key" to format text into perfect patch panel labels; press another to print matching cable flags or face plate tags, without retyping. It's just as easy to print cable and wire wraps, barcodes and more.

RHINO 5200 FEATURES:

1 Meets key ANSI and TIA 606-C industry labeling standards

2 Exclusive, one-touch "Hot Keys" to automatically size, space and format label text for electrical and patch panels, terminal, wire/cable flags, horizontal and vertical wraps, vertical and fixed-length applications

3 Prints 1/4 in. to 3/4 in. wide labels – perfect for asset management

4 Uses DYMO ® Industrial labels with chemical-heat and UV-resistant materials; also prints heat-shrink tubes and non-adhesive labels

5 Last-label memory; storage for up to 100 pre-programmed industry symbols, fractions and punctuation marks

RHINO™ M1011

INDUSTRIAL-STRENGTH METAL EMBOSSING TOOL

The industrial-strength Rhino M1011 embosses 1/2 in. stainless steel and aluminum labels – with or without adhesive – that resist extreme weather, temperature, chemical and UV exposure. This durable embosser features an easy-to-use label cutting handle (cuts rounded edges), hole and cable tie slots, a trailing-edge measuring gauge and much more.

RHINO M1011 FEATURES:

Create 1/2 in. stainless steel and aluminum labels

Create hanging, screw-on or nail-on labels with 1/8 in. hole punch or cable tie slots

Accurately set the length of leading and trailing label edge with a built-in measuring gauge

Easy-to-use cutting handle makes cutting stainless steel labels effortless – cuts slightly rounded edges

5　Print standard or reverse script labels – both character wheels included

6　Deep emboss ensures excellent character legibility

7　Rugged cast-aluminum frame withstands tough working conditions

COMPATIBILITY & PACKAGE CONTENTS

M1011 SINGLE UNIT
Item # 101105

PACKAGE CONTENTS:
- M1011 Label Embosser
- Horizontal Character Wheel
- Reverse-Image Character Wheel
- Non-Adhesive Aluminum Labels Roll 1/2 in. x 16 ft.
- Non-Adhesive Stainless Steel Labels Roll 1/2 in. x 21 ft.
- Hard Carry Case

EMBOSSING TAPES

Description	Item #	Label Width	Label Length
Aluminium without adhesive	310-00	1/2 in. (12 mm)	16 ft. (4.8 m)
Stainless steel without adhesive	325-00	1/2 in. (12 mm)	21 ft. (6.4 m)
Aluminium with adhesive	358-00	1/2 in. (12 mm)	12 ft. (3.65 m)

STAINLESS STEEL AND ALUMINIUM
Ideal for marking pipelines, underground cables, engine parts, building materials and more, DYMO aluminium and stainless steel IND Embossing labels are made for heavy-duty and extreme-condition labeling

DYMO ® IND LABELS

Jobsite tested and UL recognized, DYMO IND labels are tough.

• Thermal transfer printing means labels won't smear or fade
• Industrial-strength adhesive resists moisture, UV light and extreme temperatures

VINYL

For flat or curved surfaces, including wire/cable wraps. Available in the widest range of colors that meet key OSHA, ANSI and ISO color standards, DYMO IND Vinyl labels are ideal for both indoor and outdoor industrial applications

SELF-LAMINATING

Wire/cable wraps with laminated overwrap protect printed areas from oil, chemicals, moisture and fading

POLYESTER

DYMO IND Permanent Polyester labels are intended for flat surfaces or flags and feature a polished finish ideal for panels, blocks, faceplates, shelves, bins, beams and more

FLEXIBLE NYLON

Specifically designed for curved surfaces and wire/cable marking, DYMO IND Flexible Nylon labels stick securely to wires, cables, curved and textured surfaces

HEAT-SHRINK TUBES

DYMO IND Heat-Shrink Tube labels offer the convenience of printing directly on the tubing itself for high-end cable identification, with 3:1 reduction for tight compression

LABELWRITER® 4XL

THE WIDE-FORMAT, COST-EFFECTIVE LABEL PRINTER FOR HIGH-VOLUME LABELING

Put a DYMO LabelWriter 4XL in your office or workplace, and you're ready for any mailing or labeling job that comes your way. Print labels up to 4-1/16 in. wide, including all-in-one 4-1/16 in. x 6-1/4 in. shipping labels, bulk mailing, warehouse labels and other large label formats. And print dozens more label styles and sizes for use with file folders, name badges and more. In addition, with its compact size, the 4XL printer fits into almost any workspace or desktop. With its fast print speed, crisp print quality and time-saving DYMO Label and DYMO ID softwares, you'll quickly and easily create all the labels you need to meet any shipping or business demand.

LABELWRITER 4XL FEATURES:

1 Print labels up to 4-1/16 in. wide – including large-format labels, 4-1/16 in. x 6-1/4 in. all-in-one shipping labels, warehouse labels, barcode and identification labels

2 Print up to 53 labels per minute – easily print labels from your Outlook ® Contacts or Mac ® Address Book

3 Uses thermal printing technology – no expensive ink or toner costs, ever

4 Easily transfer labels to and from DYMO ID software with a PC* for the same simplified labeling experience found with XTL ™ label makers, while also offering additional features to help tackle high-volume label tasks

5 Also compatible with DYMO Label software, created for home or office use. Print crisp text, graphics and barcodes at 300 dpi. Create labels directly from text in Microsoft ® Word, Excel ®, Outlook ® or CardScan ®, without retyping. Print dozens more label styles and sizes for addresses, file folders, name badges.
